### REPORT ON MINISTERIAL EDUCATION.

We, your Committee on Ministerial Education, report that this very important subject has been sadly neglected among us, while there is no class of men who need to be educated more than min-

isters of the gospel; for they are our teachers, and that in matters of vital interest to us. But we are pleased to note that our people realize the better educated our ministers are the more efficient they become for work for the Master. We, therefore, recommend to our churches the propriety of seeing that every minister that they ordain and send out has a liberal education. We believe it to be wrong to educate a man or boy for the ministry, but we should educate every minister that we ordain and send out, as it is our duty. We also recommend to our association that they take up some young preacher who has proved himself worthy and give him an education, as we believe that there is nothing that would strengthen the Baptist cause more in this portion of the country and nothing for which God would bless us more.

J. L. BRYARS, Chairman.

#### REPORT ON TEMPERANCE.

We, your Committee on Temperance, make the following report: We are pleased to find that the destructive evil of intemperance is being removed to a considerable extent, and that fewer church members use intoxicants as a beverage. How thankful we are to God that this monster evil is giving way. And it will give way, brethren, as we pray and work to that end. We recommend that every church in this land put itself on record by passing resolutions against the use of any drink that will intoxicate, and by holding special meetings the object of which shall be to drive the use and sale of intoxicants from our midst and out of the land. And may our Heavenly Father speed the time when our church members will see more and more the necessity of abstaining entirely from the use of intoxicants and set a better example for the world.

REPORT OF ASSOCIATIONAL, MISSIONARY COMMITTEE FOR THE  
YEAR ENDING SEPTEMBER 10, 1897.

DEAR BRETHREN:

Your Missionary Committee beg to submit the following report of work accomplished under the blessing of God during the year ending with the meeting of this body.

In obedience to the instructions of the Association your Committee employed the Rev. Jean Vane as missionary for all his time at a compensation of \$1.66 $\frac{2}{3}$  per day. Your Committee recognized that the imperative need of the hour in Elin Association was an earnest, aggressive campaign of education among our churches along the lines of actual giving to the work of missions on the part of the individual members of the church. Your Committee, therefore, instructed and required of our missionary that he visit and hold missionary revival meetings in all the churches of the Association, with the consent of the local church and pastor. The wisdom of your Committee's action has been most signally demonstrated in the large number of baptisms—the tremendous increase in individual offerings and the wonderful uplifting of the churches in spirituality and power. It is with profound gratitude to God that your Committee reports the following visible results for the work of the year.

During the year the Judson, a church in the midst of our associational bounds, but connected with the Bethlehem Association, severed its connection with said association and came to us. It is a fine working body. At the milling town of Muscogee a small church was organized during the year, Eighteen of the twenty-two churches have efficient all-the-year-round Sunday schools. Twelve of the churches have working Ladies' Missionary Aid Societies. During the year the two weak struggling churches, Travelers' Rest and Little Escambia have been busy courting each other with a view to marriage. The consummation of the union is prayed for. The Blue Springs church has put out a few signs of awakening life. During the year five were added to their working force. The Olive church is bravely struggling with the problem of a church house. The Antioch brethren have determined to build a house unto their God. The Atmore people have matured plans and provided means for the erection of a beautiful and commodious house of worship. The church at Pineville has awakened to new life and activity. Throughout the Association the outlook is most cheering. Your Committee would urge more earnest, aggressive work than ever for the coming year, so that our God may be glorified in the midst of this people.

During the year death invaded the pastoral ranks of our Association. On Sunday, Aug. 8th, the spirit of David R. Cooper, the loved and honored pastor of the Atmore church, went up to see the king in his beauty. His, truly, was a soldier's death. He fell at his post with his armor on. God comfort his loved ones and care for the shepherdless flock.

Your Committee desires to extend to the churches and pastors of the Association our heartfelt thanks for the loyal support and hearty co-operation given us and our missionary in the prosecution of the work. Your Committee, being conversant with the work, its needs and its possibilities, begs to present the following resolution for consideration and adoption by the Association.

1st. Resolved, by the Elim Baptist Association, That the Missionary Committee elected each year be, and the same is hereby empowered and authorized to perfect its organization by the election of a president, secretary and treasurer from the membership of the committee.

2nd. Resolved, by the Elim Baptist Association, That the churches composing this associational body are earnestly and prayerfully requested to raise for the work of missions during the ensuing year the sum of \$480, apportioned among the churches as follows:

Atmore	\$50 00	Pleasant Hill	\$40 00
Perdido	40 00	Ray's Chapel	25 00
Sullivan	20 00	Powelton	15 00
Canoe	25 00	Muscogee	10 00
Sardis	30 00	Olive	15 00
Judson	20 00	Enon	25 00
Mars Hill	50 00	Pine Barren	40 00
Antioch	10 00	Oak Grove	25 00
Magnolia	25 00	Pineville	5 00
Little Escambia	10 00		

And we, the messengers here assembled, do pledge ourselves to each other and to God that we will do all in our power to have our respective churches raise the amount for missions above requested.

3d. Resolved, by the Elim Baptist Association, That the churches composing this Association be, and they are hereby earnestly requested to pay over to the Missionary Committee all moneys raised for missions, to be by said Committee appropriated and applied as follows. All of which is respectfully submitted on behalf of the Committee this 11th day of September 1897.

J. W. BARCLAY, President,

D. M. MERRITT, Secretary,

## REPORT OF STANDING MISSIONARY COMMITTEE.

Your Committee on Missions would report that the conquering of him who came in triumph from Bozrah is animating the mission hosts of today. All along the line "forward" is the battle cry. The shout is heard in every camp. The kingdoms of this world must become the kingdom of the Lord and his Christ. The pleading prayer "Thy kingdom come, thy will be done in earth as in heaven," ascends from millions of regenerated hearts today. And behind and underneath the prayer is the growing faith that takes no denial. Brethren, we send you greeting in the name of the Lord God of Hosts.

"Sing, ye islands of the sea, echo back, ye ocean caves,

Onward! 'tis the Lord's command. Jesus saves, Jesus saves."

Your Committee pleads for systematic work and effort on the part of the churches and to this end your Committee commends and recommends the adoption of the plan of organized mission work throughout the Association as formulated by our Standing Missionary Committee.

SACRED

TO THE MEMORY OF

REV. D. R. COOPER,

LATE PASTOR OF THE

ATMORE BAPTIST CHURCH.

Rev. D. R. Cooper was born in Butler, Choctaw County, Ala., Nov. 10, 1839, in which place he received a goodly portion of his education, finishing at Shubuta, Miss. He was converted in the Methodist church and was ordained by the District Conference and preached the Methodist faith for many years, but becoming dissatisfied with the teachings of the Methodist church and believing the doctrines as taught by the Baptist church to be the doctrines of the Bible, he laid down his Methodist credentials and united with the Baptist church at Whittier, Ala., in which church he was ordained to the work of the ministry, Aug. 29, 1886. He served Mount Pleasant and Indian Springs as his first charge after which he served the Whittier church. Then he became missionary for the Mobile Baptist Association, doing good and efficient service for three years, after which he resumed his pastoral work until the time of his death which took place on Aug. 8th, 1897.

We tender our heartfelt sympathy to the bereft family, but we remember our loss is his eternal gain.

JOHN H. MCANALLY,  
W. W. LOWERY,  
L. G. BEATTY,  
Committee.
